Dear Bob:

Thank you for your prompt action in arranging to have sent the biographical data on Messrs. Gehrke and Rutledge which I am returning to you via AFCIN-1C1 which may have continued interest in Rutledge's file.

I didn't mention it before, but in the future please send correspondence to me at 2430 E Street, N.W., Washington 25, D. C. which location has a message center.

Very truly yours,

Arthur C. Lundahl
